What do C.A.N. youth say about secondhand smoke?

"Don't choke on that secondhand smoke!"

"Secondhand smoke can cause heart disease, lung cancer and other bad illnesses."

"I hate it when someone smokes in a car because I can't get away from it."

"Secondhand smoke contains poisons like carbon monoxide and arsenic."

"Parent's smoke can destroy their children's lives because the secondhand smoke gets into their lungs and can cause damage for life."

"Secondhand smoke can hurt babies and children, and they can get ear infections and have breathing problems."

"When a person smokes, stay away! -it's like you are smoking to!"

Everyone Deserves The Right To Breathe Clean Air.
